'At Home' Newsletter: week beginning 3rd May 2021

Collect for 6th Sunday of Easter

Risen Christ, by the lakeside you renewed your call to your disciples:
help your church to obey your command and draw the nations to the fire of your love,
to the glory of God the Father. **Amen.**

For our prayers this week:

*for the work of Christian Aid and their focus on supporting communities
who struggle the most with effects of climate change;*

for the renewing of our own hearts and minds in the service of Christ;

for all who are sick, the dying, the frail and all who care for them;

we give thanks for all that we have and for that spirit of generosity to grow among us.

'May they rest in peace and rise in glory.'

**Very sadly, our dear sister in Christ and very dear friend, Vicki White died on 3rd May.
Vicki was, and will continue to be, loved by many and we will all miss her very much.**

Please pray for Mark, their family and close friends at this sad time.

Also, our dear friend and brother Dave Lubbock died recently.

**Dave was particularly well known at St Michael's, but was much loved and respected by many
and he will be greatly missed by his family and friends and by us all.**

Please pray for his family and close friends at this sad time.

****Live-streaming of Sunday services****

During the course of this last year many of us have benefitted from being able to access our Sunday as well as occasional midweek services online. It has also been a way for people who are not members of the church to connect with our regular worship and so encourage them in their journey of faith. Additionally, there are those who will continue to isolate at home or who are housebound through illness or frailty. It is really important that we continue to offer this facility as often as we can. Christ Wallace has been doing a valiant job of managing this over the past months, but it would be good if we could recruit perhaps one or two others to the team. You don't really need any technical requirements, all equipment is provided and Chris will train you to run the recording software and set up the equipment. You don't need to be a techie, but just have a desire to help. Contact Chris Wallace at chriswallace89@gmail.com or Liz our Administrator if you are interested.

PLEASE NOTE St Michael's Church will no longer be open on Thursday afternoons for private prayer.
