This week's prayer suggestions

For Ukraine: for there to be peace. For all who are in fear for their lives. For all refugees looking for shelter and safety. For all who have taken up arms and are fighting. For all aid agencies and those working for reconciliation.

For our nation: for wisdom, honesty and integrity in our leaders. For all people struggling with the rising cost of living. For the work of Citizens Advice Bureau, Christians against Poverty and debt counselling services.

For our community: for all who work at sea. For the work of Trinity House, Harwich Haven Authority, the RNLI. For those who work and travel on the ferries and cruise ships. For safety and protection of all.

Good News!

Children and Families' Worker

We have been successful in our bid to the Mission Opportunities Fund, for funding for a Children and Families' Worker for a period of 5 years. This is a wonderful opportunity to extend our work with families and children, particularly beyond the church walls, in schools, with uniformed groups and with other groups and networks to meet the needs of local families. Please pray as we move forward with this over the coming weeks.

Two Village Church of England Primary School are currently consulting on the possibility of changing the name of the school. As a Church of England School, which is now part of a Multi Academy Trust created by the Diocese of Chelmsford, we feel that the name Two Village does not truly reflect our Christian character. We feel that, after a period of change, now is a good time to change the name of the school and mark the beginning of a new and exciting period on our journey to excellence. We believe that the name St. Michael's would reflect our Christian character and reinforce the close link that we have with our local church.

A link to an online consultation feedback form is available below. Views from the local community would be welcomed.
