For our nation: for wisdom, honesty and integrity in our leaders. For all people struggling with the rising cost of living. For the work of Citizens Advice Bureau, Christians against Poverty and debt counselling services.

For our community: for all who work at sea. For the work of Trinity House, Harwich Haven Authority, the RNLI. For those who work and travel on the ferries and cruise ships. For safety and protection of all.

Good News!

Children and Families' Worker

We have been successful in our bid to the Mission Opportunities Fund, for funding for a Children and Families' Worker for a period of 5 years. This is a wonderful opportunity to extend our work with families and children, particularly beyond the church walls, in schools, with uniformed groups and with other groups and networks to meet the needs of local families. Please pray as we move forward with this over the coming weeks.

The Children's Society.

It is now time to empty your boxes. Could you please drop them either at church or directly to Enid at 41 Mayflower Avenue, Harwich. If you are unable to drop your box off then please call Enid on 01255 551132 and she will arrange to collect. Many thanks.

Two Village Church of England Primary School are currently consulting on the possibility of changing the name of the school. As a Church of England School, which is now part of a Multi Academy Trust created by the Diocese of Chelmsford, we feel that the name Two Village does not truly reflect our Christian character. We feel that, after a period of change, now is a good time to change the name of the school and mark the beginning of a new and exciting period on our journey to excellence. We believe that the name St. Michael's would reflect our Christian character and reinforce the close link that we have with our local church.

A link to an online consultation feedback form is available below. Views from the local community would be welcomed.

Lent Leprosy Mission Report

I'm very pleased to report that our Lent collection raised £272.80 for the Leprosy Mission. This will be a good help towards paying for bricks and cement to rebuild the research labs at Anandaban Hospital in Nepal. Grateful thanks to you all. Enid.
